The ACT has a score range of 1 to 36. Items are arranged by difficulty level. Lower case letter and shading denote a wrong answer and a ? indicates more than one answer chosen.

Items 7, 16, 29 and 40 are field-tested and not included in the scoring.

The ACT has a score range of 1 to 36. Items are arranged by difficulty level. Lower case letter and shading denote a wrong answer and a ? indicates more than one answer chosen.

Items 7, 16, 29 and 40 are field-tested and not included in the scoring.

The ACT has a score range of 1 to 36. Items are arranged by difficulty level. Lower case letter and shading denote a wrong answer and a ? indicates more than one answer chosen.

Items 7, 16, 29 and 40 are field-tested and not included in the scoring.

The ACT has a score range of 1 to 36. Items are arranged by difficulty level. Lower case letter and shading denote a wrong answer and a ? indicates more than one answer chosen.

Items 7, 16, 29 and 40 are field-tested and not included in the scoring.

The ACT has a score range of 1 to 36. Items are arranged by difficulty level. Lower case letter and shading denote a wrong answer and a ? indicates more than one answer chosen.

Items 7, 16, 29 and 40 are field-tested and not included in the scoring.

The ACT has a score range of 1 to 36. Items are arranged by difficulty level. Lower case letter and shading denote a wrong answer and a ? indicates more than one answer chosen.

Items 7, 16, 29 and 40 are field-tested and not included in the scoring.

The ACT has a score range of 1 to 36. Items are arranged by difficulty level. Lower case letter and shading denote a wrong answer and a ? indicates more than one answer chosen.

Items 7, 16, 29 and 40 are field-tested and not included in the scoring.

The ACT has a score range of 1 to 36. Items are arranged by difficulty level. Lower case letter and shading denote a wrong answer and a ? indicates more than one answer chosen.

Items 7, 16, 29 and 40 are field-tested and not included in the scoring.

The ACT has a score range of 1 to 36. Items are arranged by difficulty level. Lower case letter and shading denote a wrong answer and a ? indicates more than one answer chosen.

Items 7, 16, 29 and 40 are field-tested and not included in the scoring.

The ACT has a score range of 1 to 36. Items are arranged by difficulty level. Lower case letter and shading denote a wrong answer and a ? indicates more than one answer chosen.

Items 7, 16, 29 and 40 are field-tested and not included in the scoring.

The ACT has a score range of 1 to 36. Items are arranged by difficulty level. Lower case letter and shading denote a wrong answer and a ? indicates more than one answer chosen.

Items 7, 16, 29 and 40 are field-tested and not included in the scoring.

The ACT has a score range of 1 to 36. Items are arranged by difficulty level. Lower case letter and shading denote a wrong answer and a ? indicates more than one answer chosen.

Items 7, 16, 29 and 40 are field-tested and not included in the scoring.

The ACT has a score range of 1 to 36. Items are arranged by difficulty level. Lower case letter and shading denote a wrong answer and a ? indicates more than one answer chosen.

Items 7, 16, 29 and 40 are field-tested and not included in the scoring.

The ACT has a score range of 1 to 36. Items are arranged by difficulty level. Lower case letter and shading denote a wrong answer and a ? indicates more than one answer chosen.

Items 7, 16, 29 and 40 are field-tested and not included in the scoring.

The ACT has a score range of 1 to 36. Items are arranged by difficulty level. Lower case letter and shading denote a wrong answer and a ? indicates more than one answer chosen.

Items 7, 16, 29 and 40 are field-tested and not included in the scoring.

The ACT has a score range of 1 to 36. Items are arranged by difficulty level. Lower case letter and shading denote a wrong answer and a ? indicates more than one answer chosen.

Items 7, 16, 29 and 40 are field-tested and not included in the scoring.

The ACT has a score range of 1 to 36. Items are arranged by difficulty level. Lower case letter and shading denote a wrong answer and a ? indicates more than one answer chosen.

Items 7, 16, 29 and 40 are field-tested and not included in the scoring.

The ACT has a score range of 1 to 36. Items are arranged by difficulty level. Lower case letter and shading denote a wrong answer and a ? indicates more than one answer chosen.

Items 7, 16, 29 and 40 are field-tested and not included in the scoring.

The ACT has a score range of 1 to 36. Items are arranged by difficulty level. Lower case letter and shading denote a wrong answer and a ? indicates more than one answer chosen.

Items 7, 16, 29 and 40 are field-tested and not included in the scoring.
